How will the funds be used?

The 2019 Newton-Wellesley Hospital Golf Tournament will benefit the Workforce Development Council's youth summer internship program. Together with the Waltham Partnership for Youth's Summer Internship Program, the Workforce Development Council will welcome 15 high school students from Waltham to Newton-Wellesley Hospital for paid summer internships. These 15 interns will be exposed to an array of

employment opportunities in radiology, nursing, women's imaging, environmental services, development and other areas within the hospital. The Workforce Development Council hopes these opportunities will build confidence and offer firsthand experience to our summer interns, while shaping their understanding of potential future training and employment. Your participation in the annual Golf Tournament will help fund our summer interns at Newton-Wellesley Hospital. Thank you for giving them a productive, memorable summer!
