

Breastfeeding Assistance and Support Group

The lactation team at Newton-Wellesley Hospital is dedicated to supporting our breastfeeding moms during this time of uncertainty. We are now offering expanded breastfeeding services including individual and group support sessions.

Virtual Individual Breastfeeding Assistance

One-on-one phone calls with an International Board-Certified Lactation Consultant (IBCLC) are now available for breastfeeding moms.

Please call the Lactation Department at Newton-Wellesley Hospital to make an appointment: 617-243-6314

Breastfeeding Support Group

Sign up for our breastfeeding support group led by a Lactation Consultant at Newton-Wellesley Hospital.

Sessions are held twice per week, on Tuesday and Thursday afternoons from 2-3 p.m. Each session includes support from a Lactation Consultant, followed by time to connect with other breastfeeding moms.
